LABOR RATE SCHEDULE

Golden Technologies will pay a flat labor rate for all work in accordance with the exclusive Golden Technologies warranty. Golden Technologies does not pay for any costs or expenses for the examination of any warranty part or the dealer transportation cost to and from the consumer residence. Golden will cover shipping for the first year from the original date of purchase by the consumer, for a warranty part. Any exceptions to the warranty will be determined by a Golden Technologies Technical Service Representative at the time the service is scheduled.
