

O2 Starter Kits

PRIVATE LABEL GUIDE

Order all the common oxygen accessories in one easy-to-handle kit. Our private labeling service allows you to put your logo and contact information on our products. Promote your company and allow your patients to easily contact you. Contents can be customized to fit your needs. Ordering is easy - complete the "Private Label Quote Request" form (on back) or contact your sales representative today!

Promote Through Private Label:

- Customize the contents with your choice of oxygen supplies
- Include your company logo, address, website, phone number, etc.
- Include a customized insert with coupons, product announcements, or specials
- Bar-coding included on all kits
- Minimum order of 50 kits applies

Include A Customized Insert:

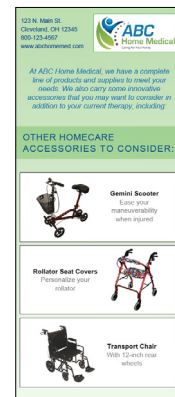

You have the option to include a customized double-sided color insert (size: 3.6" x 8.5") inside each kit.

Suggested insert art includes:

- New product announcements
- Coupons/Promotions
- Related O2 items or other services

Art Guidelines:

All artwork and text will print in black and white only. A "private label proof approval form" will be sent to you for your approval. Production will begin once approval has been received. When submitting artwork please use the guidelines below:

Usable Files: Vector art with fonts outlined is preferred. Accepted file formats are as follows:

- .ai (illustrator)
- .pdf (only if editing capabilities are .eps enabled from Illustrator or an equivalent program)
- .jpg
- .png

Non-Usable Files: The following file formats are not accepted:

- .pdf
- .doc (word document)
- .gif
- .tif
- .bmp

Production Time:

Production will begin once approval has been received. Average production time for stock orders is 3-10 working days depending on the size of the order. Rush Orders: Available upon request.

Packaging:

Normal packaging in bulk. Special packaging estimate available upon request.

* Providers are responsible for determining appropriate billing codes for Medicare Program claims. This information is included for your convenience and is not intended, nor should it be considered billing advice.
** Prescription Required: This is a Class II Medical Device. Federal law restricts these devices to sale by or on the order of a licensed health care professional.

O2 Private Label Kit - Quote Request Form

Complete this form by indicating the quantity of each supply you wish to include in the kit and then provide the order quantity (minimum order quantity of 50 applies). For multiple private label kits, please complete a separate form for each. For items not listed, please enter the item number in the notes section. Email completed forms to your sales representative or fax them to 440-572-4261.
